RED MOUNTAIN

RED Mountain is the last great, unspoiled resort. Located in Rossland, BC, along the famous "Powder Highway," RED delivers 3,850 acres of pristine skiing unfettered by overdevelopment. Back in 2013-14, nearly 1,000 acres of mostly-intermediate terrain were added on Grey Mountain – an entirely new peak. With 300"/7.6m of annual snowfall, wide-open groomed runs, epic vertical (2,919ft/890m!), in-bounds cat-skiing, 360 degree descents off select peaks, a rich tradition, and the best tree runs in BC, come and enjoy fresh turns that you don't have to fight for.

Additionally, we will spend one day at Whitewater. Located just outside Nelson BC, on BC's famous Powder Highway, Whitewater Ski Resort is renowned for receiving over 40 feet of light, dry powder snow every season.

PICNIC WITH THE POPS 2019

Saturday, August 17, 2019:

The Music of Queen!

Performed by the Lexington Philharmonic, featuring guest conductor Brent Havens

Premiering in 2009, Windborne's Classic Rock Symphony show **The Music of Queen!** has quickly garnered critical and fan acclaim.

"Music from the albums Classic Queen, A Night at the Opera, Sheer Heart Attack, Jazz, News of the World, A Kind of Magic, The Works and many more are all featured in this show. As with all of Windborne's shows, the band stays as close to the original as possible while the orchestra soars through the tunes and adds that extra "something" that make Windborne's shows special."

(<http://lexpops.com>).

Gates open at 6 p.m.; the show will start at dusk.
