Schweitzer, Idaho

March 13 – 20, 2027

Nestled in the Selkirk Mountains above Sandpoint, Schweitzer is Idaho's largest ski resort, offering expansive views of Lake Pend Oreille and the surrounding mountain ranges. Hiking, Kayaking and Wine Tasting

Pinnacle Knob hike in Berea, Flat Lick Falls in McKee, KY

Kayaking at Owsley Fork Reservoir

After 2 days of heavy rainfall and river flooding, our group event was changed to Owsley Fork Reservoir. The weather and peaceful scenery was perfect for a relaxing day kayaking with friends.

Wine Tasting Event hosted by Brian Young

Our fellow LSSC member Brian Young and owner of 1922 House Vineyard and Winery was an outstanding host at our wine tasting event. He informed us about each type of wine bottled and we got to sample 7 different wines from his production. It was difficult picking our favorites since they were so appealing, but we all managed to make selections to take home.

What is the OVSC?

The Ohio Valley Ski Council (OVSC) is your gateway to thrilling winter sports adventures and year-round global travel, uniting ski and winter sports enthusiasts across Ohio, Kentucky, Indiana, and West Virginia. Representing a network of member clubs throughout this region, OVSC brings together like-minded individuals who share a passion for snow skiing, snowboarding, and exploring new destinations.

As part of the National Ski Council Federal (NSCF), OVSC connects our member clubs with the latest in winter sports—from the top ski resorts and cutting-edge equipment to expert tour operators and essential travel information. Our council includes a dedicated team of executive officers, trip and race directors, and representatives from each of our member clubs, all working together to offer skiing and racing opportunities.

Each year, OVSC organizes a series of unforgettable trips that are open to all members of our affiliated clubs. These include North American ski adventures, an international trip that blends skiing with cultural exploration, and additional non-ski travel experiences. On top of that, each of our member clubs curate its own lineup of exhilarating ski trips, sports activities, and social events, ensuring there's always something exciting on the horizon.

One of the highlights of the year is our annual OVSC Summit, held in late spring. This event is a wonderful opportunity for all our clubs to come together, learn about the latest in skiing and snowboarding, connect with equipment and snow sports destination experts, and enjoy the unique charm of the Summit's location. It's also a chance to reconnect with old friends and make new ones.

The National Ski Council Federation's mission statement:

[“Our mission is to strengthen councils, with industry participation, so they may better serve member clubs through communication, education and benefits, and to influence issues relevant to snowsports.”](#)

By being a member of an OVSC club, you are entitled to the many benefits the NSCF offers. There are over 100 vendors, resorts, insurance, car rentals and more listed.

They also offer education on several subjects. This summer, they are having zoom meetings on the ever-changing landscape of group travel, and another on travel insurance.
