Snowshoe Priority Sign-up for 2017/18 Members – Ends September 4th

Were you an LSSC member last season? Welcome to one of the perks of being a member. Members from last season get priority when signing up for one of our Snowshoe trips. If you were a 2017/18 member and sign-up and provide a \$100 deposit on or before Sept 4th, your name moves up the list over those who weren't members in 2017/18. In the event one or both of our Snowshoe trips sell-out on or before Sept 4th, your chances of getting on the trip increases as those who were not members in 2017/18 will be moved to our waitlist. We will then work to secure more space, but getting additional space is not guaranteed.

This promotion ends on September 4th. You can sign-up for a trip at our club meeting on September 4th or in advance by going to <https://www.lexskisports.org/trips>.

Don't forget to complete your membership app and pay your dues as well at <https://www.lexskisports.org/membership>.

If you have questions about this promotion, please email TerryLCarrico@hotmail.com or call/text him at 1859-527-9924.

Note: For trips that fill-up, there is a possibility we can get additional space, but there is no guarantee. As always, we will run a wait-list for trips that fill-up.

ABOUT VAL DI FASSA

The enchanting world of the Dolomites - ancient legends and myths characterise the famous pale mountains. Already some 40 million years ago those mountains were formed, which got their name from a limestone rock called dolomite.

And in between those mighty pale mountains lies the Fassa Valley, with a rich number of hiking trails taking you right to the heart of the beautiful natural scenery called Dolomites. The valley is characterised by the Avisio river and thanks to such famous mountains as the Sella Group or legendary Marmolada it is one of the most renowned Alpine valleys. Val di Fassa is by the way the only Trentino valley where the Ladin language is still spoken.

Winter turns Val di Fassa into a true skiing paradise. The ski areas of the valley are all part of the Dolomiti Superski area, the biggest association of ski areas all over the world. The lifts and gondolas are running even in summer which might come quite handy when embarking on long and challenging hikes across the mountains. Steeped in tradition, the valleys boast a very special flair. Enjoy true hospitality and get to know almost forgotten traditions and cultures...

THE SKI AREAS

9 ski areas - Marmolada/Pian dei Fiacconi, Alba/Ciampac; Canazei/Belvedere/Passo Pordoi; Campitello/Col Rodella/Passo Sella, Pozza di Fassa/Buffaure, Vigo di Fassa/Ciampedie, Passo Carezza, Moena/Lusia/Bellamonte, Passo San Pellegrino/Col Margherita/Falcade - 210 kilometres of pistes, 83 operating lifts.

Technical snow making guarantees more than 95% slope covering.

Links to the neighbouring ski areas, breath-taking views and a wide choice of refuges and places of refreshment for a 360° mountain experience.

A GREAT EVENING AT PICNIC WITH THE POPS!!

Picnic with the Pops was an enjoyable night for all who attended. Despite the forecast for storms, it turned out to be a beautiful evening for an outdoor event! We had a whimsical, Circus Themed table incorporating The Rolling Stones Rock and Roll Circus production. As always, The Lexington Philharmonic performance of the music of The Rolling Stones was remarkable!

Thanks to our social chair, Tara Keegan, for a wonderful theme and table decorations!!
